

PRAYER FOR YOUR LOST FAMILY & FRIENDS

Most High Yah, we come to You with humble hearts and minds in the Name of Yahusha. We thank You for Your love, we thank You for Your goodness and mercy in our lives. We esteem You and exalt Your wonderful Name, Yahuah. We come boldly to Your throne of favor, so we can receive Your mercy and find favor to help in this time of need. Father, we lift those up to You who are listening to this prayer right now and we also lift up those whom they are praying for. Your Word says where two or more are gathered in Your Name, You are there in the midst of them, so we thank You that You are here with us and with the ones who are listening to this prayer. Most High You know there are many lost sheep all across this world and we come in agreement together with the ones listening to this prayer. We pray for those who have yet to come to know You, those who have erred or have backslidden from the belief, and those who are not walking on the righteous path that You desire for them to walk on. Father Yah, we cry out to You and ask for Your laborers and Your messengers to go before them and speak the Word of life to them. We ask that You would do whatever is needed to draw them to Yourself. Your word says that if Yahusha be lifted up, You would draw all men unto Him and we know that He was lifted up on the stake over 2000 years ago and now we lift up and exalt the Name of Yahusha, the Name that is above all other names and we ask that Your Ruah haQodesh would draw these lost ones to Yahusha. Father we ask that strongholds and chains be broken off of these lives, that the scales blinding their eyes would fall off, so they can see the truth of Your love and goodness. May they see their need for Your Savior to deliver them from their sins.

We ask that the ears of these people be opened to hear and receive Your Word, may their hearts be receptive to take hold of Your finished works - the death, burial and resurrection of our Messiah Yahusha. Father we ask that whatever is hindering them from coming to You be broken off of their lives, may evil spirits be bound and removed from these people so they can be free from demonic oppression, possession and control that they may be under. We pray that wrong connections and evil influences be severed from their lives. Where deliverance is needed, please deliver, where freedom is needed, please set free, where healing is needed, please heal, where there is affliction, please give overcoming strength. Those caught under satanic spells, witchcraft, sorcery, the occult, incantations, divinations, evil brews, and any other evil abominations, whether it be gender confusion, same gender relationships, pornography, necromancy, and/or any other wicked thing, we ask that these things be bound and broken off of their lives now in the Name of Yahusha. We pray that they would see that they have been deceived by the enemy and come running to You. What the enemy meant for their harm and destruction we pray that You would use it and turn it for their good. We know that it's Your goodness that causes repentance Father. Please let Your goodness heavily abound in the lives of these people. May they call out to you, repent, submit their lives and serve You for all of their days. As for us and our house we shall serve you Yah! Most High, please save and deliver these people and bring them into Your family.

We thank you, and praise you for your goodness in our lives and the lives of those listening to this prayer. We pray for and thank You for continual strength and resolve for all those who are praying this prayer. We continue to stand for our loves ones to come into the knowledge of Your Son Yahusha. We thank You and ask these things in the mighty Name of Yahusha! Thank You and Amein!

HalleluYah!
